

Meeting Minutes from WSHS Booster Club on April 3, 2006

Meeting was called to order @ 6:35 by Marcie Hopkins, Vice President of Membership.

Board Members in Attendance: Kay Cone, Marcie Hopkins, Lisa R Eblen & Helen Squire.

Kay approved the previous monthly minutes, Helen seconded.

It was stated that we have 160 members in the booster club.

Treasurer report was read & approved by Helen and Lisa seconded.

We have made a change in the booster club sign up sheet. We will also be offering decorative bags with the bear logo for people who purchase a Platinum, Gold or Silver package deal for booster club membership. The motion was approved by Kay & seconded by Helen.

The 5K profit was phenomenal. Girls Lacrosse, football and baseball should be recognized for getting the most participation & we will be sending them a \$150 each as an incentive for participation.

Family Fun Day is all set with everything & it seems to be drawing lots of questions already. There will be a meeting on the 24th with the staff from Tusawilla Country Club so we can further determine what they will be doing & what our part will be.

Meeting was adjourned @ 7:12pm by Marcie Hopkins.
