You have been selected to receive this invitation to provide you, as a local business owner, the opportunity to be involved in this community. The Winter Springs High School (WSHS), Athletic Booster Club (ABC) is a non-profit organization and any donations will be tax deductible.

In the past year, through your sponsorship and membership support as well as the success of our many fundraisers, the WSHS Athletic Booster Club has raised / contributed back to Winter Springs High School Athletics over \$85,000. As per

request from the both the administration and the athletic department, a large portion of those funds has been donated to the New, State of the Art Weight Training Facility. In addition, your support allowed the booster club to assist with the funding of repairs to the concession stand, support field improvements, purchase various equipment and uniforms for a variety of teams, provide transportation to many athletic events, supply necessary items for many of our athletic teams and fund salaries for several of the coaches.

The Booster club is looking to grow and to further improve. This is a tremendous opportunity to offer your financial and moral support to WSHS athletics, while at the same time getting valuable exposure for your business or organization. The major fundraisers planned for the upcoming school year are the 5K Run / Walk through Winter Springs and the Bear Social with a Silent Auction.

Don't miss out on having your business advertise on our website or with a banner in one of the sports facilities on campus. Available advertising for your business will be exposed to the local daily high school traffic, weekend sports events, and many others that drive through our school for various events throughout the year. In addition, the boosters also provide opportunities to be a game day sponsor or to sponsor a specific fundraiser. If you are interested in advertising your business and at the same time get a return on your money invested, please complete the attached form and mail together with your check to P.O. Box 195238, Winter Springs, Florida 32708. For further information, you may also contact our Public Relations representative, Raquel Santana at (407)4974389 or by email at [public.relations@bearboosters.org](mailto:public.relations@bearboosters.org).

In summary, WSHS ABC has built a broad relationship with our local community, and we are committed to providing your business the necessary resources to successfully advertise your business to your satisfaction. Our goal is a long and productive working relationship with the local high school administration, the athletic department and businesses within our local community. We appreciate your support.

GO BEARS!!!!!!
